(b) Within the T&Cs, all references to "You" denote the Owner or Responsible Person of the cat. All References to "We" or "Us" denote EssentiallyPurrfect.

(a) Should You wish to cancel your appointment, your deposit will be fully refunded providing a minimum of 2 working days (48 hours, Monday to Friday excluding Bank Holidays) notice is given. During this time We are usually able to adjust scheduling and book out your cancelled appointment to another client.

(b) Should you wish to reschedule your appointment, your deposit will be fully applied to the rearranged session, providing a minimum of 2 working days (48 hours, Monday to Friday excluding Bank Holidays) notice is given. During this time We are usually able to adjust scheduling and book out your original appointment to another client. If the required notice period is not given, the original deposit paid will be forfeited.

(c) For example :

|-------------------------|--|
| Wednesday 10.00 am | Monday by 10.00 am |
| Tuesday 10.00 am | Friday by 10.00 am |

(d) If We arrive at your home and are not able to carry out the grooming session because You have forgotten the appointment, or are not at home, or your cat is not available, the deposit will not be refunded as you have exclusively reserved this time. We can provide a courtesy reminder call / text 24 hours prior to your appointment, unless You specifically request that You do not want this. However, failure to receive this call / text does not absolve You of the responsibilities to keep to your appointment.

4. Balance of Payment. Following appointment, balance of the payment is due immediately by cash only.

5. Prices. A guideline of Prices is laid out on the website. Any price quoted / discussed at the point of booking the appointment is a guide only. The price of the groom will be determined by numerous factors which can only be established upon meeting and working with your cat. You agree to pay the price evaluated by Us.

6. Health. (a) We deliver a professional mobile cat grooming service with hygiene at the forefront of our mind. We take every precaution to eliminate the spread of disease and ensure the use of a fresh uniform and disinfected equipment for each appointment. To further reduce any possibility of cross contamination, it is advised that as a basic minimum You purchase combs and a brush from Us for your cat's exclusive use during the first and any future grooming appointments. The purchase and exclusive use of further items such as towels and a rubber mat is also recommended, but not essential.

(b) The upmost care is taken to ensure your cat is handled sensitively, with its health considered. However, if the services of a veterinarian are required, We will advise You immediately. In the case of an incident or serious

medical problem being discovered during grooming, the grooming session will be stopped and You agree to seek appropriate veterinarian treatment. The full cost of the groom will still apply.

(c) You agree that We are not responsible for any pre-existing problems or conditions found during the grooming process, and You agree to pay all medical treatment incurred due to such. EssentiallyPurrfect is not a veterinarian and any advice given regarding health problems should at all times be checked with a licensed veterinarian. You are urged to seek professional advice from your veterinarian regarding any health concerns. Any grooming which takes place on your cat, is at your risk.

(d) We will bring to your attention any irregularities noticed during the grooming session. This is not a professional medical examination / opinion. For this you must consult your veterinarian.

(e) You agree that We will not be held liable for any after-grooming effects or subsequent bad health. This includes, but is not limited to, any after-grooming effects of clipping procedures or problems 'uncovered' by clipping off a coat. This could include, but is not limited to itchiness, skin redness, irritations or abrasions however caused.

(f) You need to be aware that if hair is clipped away due to matting or styling, your outdoor cat is able to catch a cold if the weather is cold. You are advised to keep your cat warm/ indoors/clothed whilst the re-growth occurs.

7. Coat Condition. (a) In the event that your cat needs a clip due to a matted coat, You should be aware that irritation may occur from the shaving process and occasionally small nicks may occur due to the proximity of matted fur to the skin. All clips (including full clips / belly clips / lion cuts) may uncover nicks, scabs, cuts, fungal or bacterial issues, pre-existing irritation or other potential problems. You agree to pay all costs for the groom, even if We are unable to fully complete the task.

(b) Dematting / detangling of matted fur may cause patchiness and hair loss. Consent to remove the matted hair is on this understanding. You need to be aware that clipping a coat can result in a structural change to the hair, which may result in colour variation upon re-growth. Also, please be aware that shaving your cat will dramatically alter its appearance, with the hair clipped very close to the skin.

8. Behaviour. We reserve the right to refuse to groom your cat for the safety of the groomer and your cat. A soft muzzle may be used or services discontinued or refused, for the wellbeing of your cat and the groomer. Please note that sedation is never used.

Upon signing this Declaration, this data will be stored indefinitely (unless you request deletion) and will be used only to contact you/visit you. No marketing/selling to 3rd parties.
